AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, KAREN O'NEILL, HAVING BEEN DULY SWORN, DEPOSE AND STATE: I am a United States Postal Inspector, having been so employed since March 2003.

1. I am presently assigned to the Cincinnati Field Office, Pittsburgh Division of the Postal Inspection Service with investigative responsibility for Southwest Ohio, Northern Kentucky, and Southeast Indiana. Part of my investigative responsibility involves the use of the United States Mail in the transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.

2. Your affiant has become aware that drug traffickers frequently use Express Mail, a business-oriented overnight service offered by the United States Postal Service, to transport narcotics and other dangerous controlled substances, and their proceeds or instrumentalities from the sale of the controlled substances. Your affiant has also become aware that drug traffickers frequently use Priority Mail with delivery confirmation, a 2-3 day service offered by the United States Postal Service. As a result of investigations and successful controlled substance prosecutions where the mail was used, your affiant has learned of certain characteristics indicative of other mail items previously identified as containing narcotics or other dangerous controlled substances, their proceeds or instrumentalities from the sale of the controlled substances. Some of these characteristics include, but are not necessarily limited to or used on every occasion, the mailer using different post offices on the same day to send parcels, false or non-existent return address, addressee is not known to receive mail at the listed delivery or sender address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity.

3. U.S. Postal Inspectors are aware that the State of California is a source location for controlled substances that are regularly mailed to the Commonwealth of Kentucky and the proceeds from the sales of controlled substances are frequently returned to California via the U.S. Mail. Based on this information, your affiant routinely reviews parcels and conducts postal database checks for inbound and outbound parcels that exhibit characteristics of parcels suspected of containing controlled substances and/or the proceeds from the sale of controlled substances.

4. On or about November 19, 2021, Priority Mail Express parcel label number EI164050135US (SUBJECT PARCEL) was located at the Postal Processing & Distribution Center (P&DC), Cincinnati, Ohio. The parcel is addressed to John Kelly, 1004 Monmouth St, Newport, KY 41071 (SUBJECT ADDRESS) with a return address of Jake Bell, 243 Reynard Ln, Vallejo, CA 94591. A restaurant – “The Baker’s Table” - is located at the SUBJECT ADDRESS. The SUBJECT PARCEL was mailed from Northern California, a known drug source area.
5. Your affiant did a check in CLEAR regarding the return address. CLEAR is a database that is used by law enforcement as a tool to identify person/business and address information. According to CLEAR, the name “Bell” is not associated with 243 Reynard Ln, Vallejo, CA 94591.
6. Your affiant did a check in CLEAR regarding the SUBJECT ADDRESS. According to CLEAR, the name “Kelly” is not associated with 1004 Monmouth St, Newport, KY 41071.
7. Your affiant did a check in Google for “The Baker’s Table” and obtained the phone number associated with the restaurant – (859) 261-1941. Your affiant contacted the aforementioned phone number and spoke to an employee. The employee stated, in substance and in part, that there isn’t anyone by that name working at the restaurant nor a past employee by that name. She confirmed this with the owner as well.
8. On or about November 19, 2021, you affiant contacted Cincinnati Police Department Specialist Mike Harper to arrange for a narcotic canine to check the SUBJECT PARCEL. Specialist Harper responded to the U.S. Postal Inspection Service (USPIS) Field office, Cincinnati, Ohio where the parcel was placed in a controlled area and presented to narcotic canine, “Cairo”. “Cairo” alerted positively to the presence or odor of a controlled substance or their proceeds or instrumentalities upon the SUBJECT PARCEL. Your affiant knows that Specialist Harper and narcotic canine “Cairo” train regularly and are certified annually through the Ohio Peace Officer Training Academy. Your affiant has presented countless parcels to Specialist Harper and canine “Cairo” which has resulted in successful seizures of a quantity of a narcotic or other dangerous controlled substance and their proceeds or instrumentalities therefore your affiant considers them to be reliable. Attached herewith, and made part hereof by reference, is a photocopy of the narcotic canine handler’s record of examination.

9. The SUBJECT PARCEL is further identified as follows: a U.S. Postal Service Ready Post brown cardboard box 15" x 12" x 10" in size, weighing 7 pounds 5 ounces, bearing label number EI164050135US, postmarked November 17, 2021; see address information below:

Sender: Jake Bell
243 Reynard Ln
Vallejo, CA 94591

Addressee: John Kelly
1004 Monmouth St
Newport, KY 41071

10. This information along with the positive alert of narcotic canine "Cairo" is indicative of a drug package or its proceeds.

11. Based on the information contained herein, your affiant believes that contained in the SUBJECT PARCEL is a quantity of a narcotic or other dangerous controlled substance, their proceeds or instrumentalities.

12. The SUBJECT PARCEL is being secured at the USPIS Field Office, Cincinnati, Ohio pending further investigation.

Therefore, a search warrant to open the SUBJECT PARCEL is requested.

Further, your affiant sayeth naught.
